

Earn the online degree that makes an impact.

Southern New Hampshire University is on a mission: to transform your life through a college education. We remove barriers to help you reach the finish line.

✓ Low online tuition rates

We offer tuition discounts for alumni, faculty, staff and family members of our partner community colleges and eligible service members and spouses.

✓ Transfer-friendly programs

Leverage your previously earned college, military or exam credits — SNHU accepts up to 90 toward a bachelor's degree or up to 12 toward a master's.

✓ High-quality education

We're a private, nonprofit university, accredited by the New England Commission of Higher Education.

✓ No set class times

Complete weekly coursework and assignments when and where it's convenient for you.

✓ Student support

You'll have a dedicated academic advisor and access to student financial services, career counseling and 24/7 online tutoring.

✓ Career-focused degrees

Choose from 200+ online programs in human resources, IT, cybersecurity, nursing, data analytics, business, STEM and more.
