

Online¹ Nursing and Health Care Programs

The Opportunity to Shape the Future

Grand Canyon University is an affordable, private, Christian, nonprofit university that strives to prepare learners to think critically, care compassionately and work to develop collaborative strategies for global wellness. In 2024, GCU awarded over \$13.6 million in scholarships to students in online nursing and healthcare programs, reinforcing its commitment to making higher education accessible. From undergraduate to doctoral degrees, GCU offers you the convenience to pursue your studies while earning your degree online¹ or on campus in the evening.
